

Environmental Policy

Knoxford Ltd

Page 1 of 2

VERSION 2 - Approved by Eric Swithenbank on 30 March 2022.

A paper copy of this policy is kept Main Office. An electronic copy of this policy is Available on the Knoxford Ltd websites. This policy will be reviewed annually.

DEFINITIONS

For the purposes of this document, the following terms apply: Senior management is defined as the directors, officers and senior managers of the organisation. Environmental aspects are the elements of Knoxford Ltd t/a Portable Floormaker's activities, products and services that can interact with the environment. Environmental impacts are the changes to the environment that result from Knoxford Ltd's environmental aspects.

POLICY STATEMENT

Knoxford Ltd acknowledges that the environment can potentially be impacted by any of its activities, products and services. This policy sets out how the organization will manage, monitor, measure and otherwise be accountable for its on-going environmental performance.

In the implementation of this policy, Knoxford Ltd will adhere to the requirements of relevant local, national and international law pertaining to the environmental aspects and impacts of the organization and ensure that this policy kept up to date in line with those requirements.

Knoxford Ltd is committed to prevent pollution wherever possible and will ensure that as well as optimising new products, services and processes to facilitate this prevention, existing systems and processes are reviewed in order to identify areas for pollution prevention. For each product, service, system or process, this will be achieved by: -

- Eliminating the use of polluting materials or technologies;
- Reducing the use of polluting materials or technologies;
- Recycling or reusing materials within Knoxford Ltd;
- Recovering useful materials from waste streams; - treatment of waste streams and emissions to reduce their environmental impacts;
- Transferring materials or waste for recycling or reuse; and;
- Where no other option is available, controlled disposal or incineration.

Environmental Policy

Knoxford Ltd

Page 2 of 2

Knoxford Ltd will integrate environmental management procedures, processes and planning with the general operations of the organization to maximise the potential reduction of the organisation's environmental impacts.

Knoxford Ltd will ensure that where possible, products are designed and developed in such a way as to reduce the environmental impacts of their users.

Through the use of environmental performance evaluation procedures and key performance indicators, Knoxford Ltd will seek continual improvement in its environmental performance. This will be achieved through the proper implementation of its environmental management system. The design, development and management of the environmental management system, related procedures and indicators is the responsibility of senior management.

It is the responsibility of The Managing Director to ensure that this policy is implemented throughout the organization.

It is the responsibility of The Managing Director to ensure that this policy is properly maintained and up to date.
